

Jackpot 21

Rules: Standard Blackjack Rules Will Apply

To start the game players must place a wager in one or both of the blackjack circles, this will determine which blackjack hand the player is wagering on. The dealer will deal cards to each blackjack spot that has a blackjack wager.

The bonus wager is optional, should a player decide to participate in the bonus they must place a wager on each blackjack hand then place their bonus wager in the spot marked Jackpot 21.

To win a bonus payout players must achieve a pair of Jacks or higher by using their two initial blackjack hands totaling 4 cards with the dealers 1 up card for a total of 5 cards. Player(s) are paid based on the highest single payout for a poker hand they achieve according to the pay table listed below or on the blackjack table.

Players are paid based on the highest single payout for a hand they achieve according to a pay table listed below or on the blackjack table. The dealer will collect all non-winning bonus wagers and pay all winning bonus wagers. Once all the wagers are settled the dealer will begin dealing another round.
