

The object of the game is for the player to choose a number representing a 3, 5 or 7 card stud poker hand that will qualify them to receive a bonus award according to three payout schedules listed below.

A single standard deck of playing cards will be used in dealing Players Choice Poker.

To start the game, players must place their wagers on any of the numbered circles 1 thru 6, this will indicate which hand(s) the player chooses to wager on, players may wager on one hand or all six hands.

The dealer shall deal six hands in the dealer position, dealing 3 cards for hands one and two, 5 cards for hands three and four, 7 cards for hands five and six.

Upon revealing the cards, players that have chosen a number containing a hand which qualifies them to receive a bonus award will be paid immediately, wagers that do not qualify for a bonus payment will be collected by the dealer.
